

Mighty Mustang Band (MMB)
After Party Info

PABC has a long standing tradition of hosting after game parties for our band kids. Parents of MMB students are gracious to volunteer their homes so that our kids have a safe and fun place to gather after most games. Parties are not held the night before marching contests, after games where the band returns very late or Homecoming weekend. The safety of our students is always the #1 priority as we plan these events. Please review the reminders below with your student so that there are no surprises of them or the host family.

- MMB After Game Parties are **ONLY** for current MMB members. The host family and parent chaperones attending the party will enforce this rule.
- Each student/parent is responsible for arranging their student's transportation to the party.
- The whereabouts of the party is **kept confidential** until the band members return to the PHS band hall following the game, and at that time maps will be distributed to give directions to the house.
- A mass email will be sent at half-time to notify the parents of the location of the party, so they will know where their child will be until 1 a.m. The host families phone number and address will be listed in this information, should that be needed.
- Students who drive to the party need to be sure to be respectful of the neighbors as it relates to where they park their cars.
- When students arrive at the party \$3.00 will be collected at the door to pay for refreshments.
- Parties end at 1 am. Once students leave the party, they will not be allowed to return.
- In years past there has been a problem with students being thrown in the pool. This year a decision has been made that if this does occur, the student or students involved in pushing be prohibited from attending the next After Game Party or MMB social event. Hopefully this will not be an issue, but it would be wise to place chaperones by the pool area. Be sure to remind them of this issue.
- It goes without saying, **the use of drugs or consumption of alcohol on the part of students or parents attending these parties is not permitted.** This has never been a problem and we need to keep it this way.
