We are asking each family to volunteer a minimum of 10 hours to the Mighty Mustang Band over the course of the year. In order to ensure that you are doing things you enjoy, we ask that you please review the list below and place a check mark in the areas where you would like to help during the 2011-2012 school year. Completed forms can be returned to the Band Hall or any Volunteer Coordinators before band registration August 16. You can also email forms to [volunteers@pearceband.org](mailto:volunteers@pearceband.org).

**\_\_Auction Committee:**

The auction is the major fundraiser for the band students. Proceeds help fund lessons and trips, and enables the band to be an all-inclusive organization. There are many ways to volunteer for this event. An informational packet will come home with your student during the school year listing the many volunteer opportunities for the auction.

**\_\_Volunteering with the Band/Chaperoning**

During band registration (August 16) and at the back-to-school band BBQ (August 20) you will have the opportunity to sign up to chaperone specific band activities for the entire school year. This includes football games, contests, etc. Remember to bring your calendars to registration and the BBQ! All chaperone communication is done via email. **Chaperones for the spring trip must have already completed a minimum number of chaperones hours (to be determined) to be eligible to chaperone.** A record of all hours is kept by the volunteer coordinator(s).

**Volunteering for the Mighty Mustang Band is a great way to stay involved with the school and your student and to meet other parents who support their kids' musical endeavors – we appreciate your time and commitment!**
