

# Game Night Dinners

PABC will serve a simple dinner prior to all football games, both home and away, to those who participate in the meal plan.

The menu will be rotated between these local restaurants: Which-Wich, Pizza, Chick-Fil-A, Cane's, Burger House, and Sonny Bryan's (Senior Night). When appropriate, each will be supplemented with chips, fruit and dessert. A vegetarian option such as a veggie sandwich, salad or baked potato is also available. Water and lemonade will be provided (no sodas).

The cost of the meal plan is \$72.

DO NOT write a separate check for the meal plan - the cost of the meal plan will be listed as an option on the assessment fee forms this year. Parents may purchase the meal plan at registration when they pay their assessment fees and will submit their meal order form at that time. Meals CAN NOT be purchased at the door and there will be no reimbursements for missed or skipped meals.
