

JJ Pearce Mighty Mustang Band

JJ Pearce High School

1600 N. Coit Road

Richardson, Tx 75080

Corporate Sponsorship Opportunity

Stop at dawn on a fall morning and listen. You can hear the drums blocks away from the practice grid at JJ Pearce High School. Listen again and you can hear the trumpets, flutes and trombones rehearsing for another outstanding performance. Stop for five minutes and watch the color guard practice throwing the heavy flags, twirling and catching, again and again. In the spring come to the school before the sun is up and you'll see Mustang Band members rehearsing by sections for concert performances, including a performance at one of the world's premier venues – Carnegie Hall, New York, in Spring 2010.

Your business succeeds by providing superior products and great service, and that commitment to be the best is also true for the Mighty Mustang Band program. The JJ Pearce Bands are consistent winners of Superior ratings at UIL Marching Contests and UIL Concert Contests. The Mighty Mustang Band has qualified for the All-State Marching Contest multiple times over the years, most recently in 2007. The Bands have twice received the coveted Sudler Flag of Honor and each year the Mighty Mustang Band places more students in the All-Region, All-Area, and even All-State Bands than almost any other school in Texas. But quality like this doesn't come without a cost.

It takes hard work, dedication, and lots of time from outstanding students and band directors to have the kind of organization and honors achieved by the Mighty Mustang Band. It also takes a lot of support and time from band parents and most importantly, it takes money to have a superior music program. Even though a school's music department plays an important part in creating countless well-rounded students, the arts are typically the least supported with district funds. The JJ Pearce Band needs support for its many performances, competitions, instrument repair, uniform upkeep, music clinics, band equipment, and trips taken for performances and contests.

Our band program seeks your support through participation in our "Mustang Leader" Corporate Sponsorship program. As a sponsor, your company will help this band program realize its goals and remain one of the premier music organizations in Texas, plus your company will reap the benefits of your sponsorship within our community. With your support we will continue this tradition of excellence and ensure that our young people can continue to be a part of this high-quality educational experience.

We hope that you will choose to support these young people as they participate in the Mighty Mustang Band. The Pearce Area Band Club is a 501c(3) non-profit organization and your sponsorship gift is tax deductible.

Sincerely,

Pearce Area Band Club – an All-Volunteer organization supporting the Mighty Mustang Band for over 30 years
